About Polygon Pictures

Polygon Pictures comprises one of companies under the umbrella of Amana Holdings Inc. (President and Representative Director: Hironobu Shindo, Head Office: Tokyo, Japan, Securities Code: TSE Mothers 2402). Our main business focus is on providing creative, entertaining visual content services. Last year, we celebrated the 30th anniversary of our founding.

Since its founding in July 1983, PPI's mission has been to "do what no other has done, in unparalleled quality, for all the world to see and enjoy." Including our joint-venture studio Silver Ant PPI Sdn. Bhd., we have brought together over 400 creators from around the world. In addition to creating digital animation for films, games, exhibitions and various other media, we have also been involved in the production of TV series *Transformers Prime*, *Star Wars: The Clone Wars* (both Daytime Emmy award winners), and *Tron: Uprising* (Annie award winner). In 2014, with *Knights of Sidonia* (Director: Shizuno Kobun) and *Ronia the Robber's Daughter* (Director: Goro Miyazaki) our production of domestic TV animation has begun in earnest as well.

By fusing our unrivalled production know-how and technical development capacity with the internationally recognized quality of Japanese animation, PPI aims to become a leading company in the content business. For more information, visit our website at <http://www.ppi.co.jp>.
